Air Formation

57 Octaves Below EP

Five young men from Brighton called **Air Formation** have recorded their new EP for Club AC30 **57 Octaves Below**.

Matt Bartram vocals and guitar, **Ben Pierce** bass, **Richard Parks** keyboards, **Ian Sheridan** guitar and **James Harrison** on drums. Recorded by Pat Collier at Gravity Shack, this is their most accomplished work to date. Theirs is a huge sound, main track **For The Hours** displays references to **Mogwai** and **Explosions In The Sky**, with healthy doses of **Flying Saucer Attack** and **Sigur Ros**.

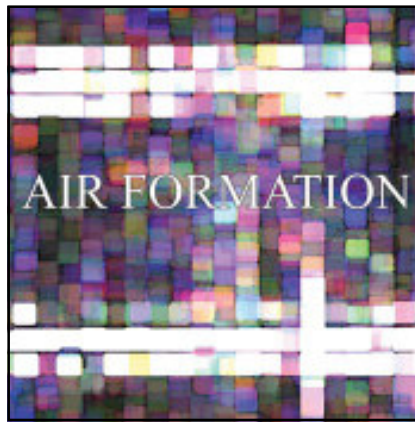

Air Formation released their last album **Stay Inside Feel Everything** on Clairecords in September 2004 and are loved by shoegaze/nu-gaze kids. Their rare stunning live appearances in the last few months have been supports to **Ulrich Schnauss** (a big fan) and ex-Slowdive singer **Rachel Goswell**. Air Formation will be playing a handful of shows in April and May including the Club AC30 **Reverence** three-dayer May 10th to 12th.
